Amended Submission

Okaloosa County Board of County Commissioners:

I submit the attached budget for the operation of the Okaloosa County Sheriff's Office for the fiscal year beginning October 1, 2011 and ending September 30, 2012.

As submitted on June 15, 2011 this budget included a reduction of \$1,013,072 from our current year's approved budget. The reduction was approximately 3% off the current year's approved budget. Through efficient operation of the Sheriff's Office the agency has been able to reduce expenditures by approximately 4.5 million dollars resulting in an almost 14% reduction since the fiscal year 2009 budget. This year's budget also reflects an attempt to better account for and recover county resources used to subsidize contractual obligations with municipalities and the airport.

On July 5, 2011 the Okaloosa County Board of County Commissioners voted to authorize the county administrator and constitutional officers to provide their employees with a 3% salary adjustment for the fourth quarter of FY 2011 and all of FY 2012. This adjustment is due to contribution savings realized during the recent state legislative session regarding changes to the Florida Retirement System. This salary adjustment changes the FY 2012 budget reduction to \$457,146.

To the best of my knowledge this budget provides for the funding required for efficient and competent law enforcement services to Okaloosa County, provided that any increases in costs and/or any unexpected demands do not occur.

Negotiations are continuing on several service contracts that the agency maintains. Changes to these agreements could result in staffing changes and may result in further reductions in the Sheriff's Office budget
