Board of County Commissioners

RE: 2014-2015 Budget Submission

Dear Commissioner Windes,

Pursuant to Chapter 129.03(2), Florida Statutes, attached hereto is the budget request for this office for fiscal year 2014-2015. Line item departmental detail has been entered into the county budget program to be made available to the County Administrator and the Board when budget workshops begin.

The methodology utilized in forming this FY2015 budget is consistent with the budget policy established by the Board for the coming fiscal year.

As I have mentioned to the Board in public budget hearings in recent years, the need for new elections equipment continues to loom on the horizon. At present, there is still no solution certified for purchase in Florida that allows us to only purchase one piece of equipment per polling place. That said, there is at least one solution pending that might, in my estimation, meet the needs of our county.

Chapter 101 of the Florida Statutes, §101.292-101.295 specifies that is the "governing body" that purchases the voting equipment. As such, I look forward to discussing the options at the Board's disposal for providing funding for an equipment purchase, possibly as early as next year.

I will be happy to meet with you or your designee to discuss this request or to answer any questions you might have.

Your consideration of this request is appreciated.
