

Addendum #2
RFB IS 24-15
Telecommunications Maintenance for the
Okaloosa County Fiber Optic Network

The Following Corrections have been made to RFB IS 24-15

1. Page SBC-1 Item #6 Qualifications:

The Department has made the following correction:

QUALIFICATIONS – The contractor must list ~~on the attached certification page~~ its experience of emergency response it has been performed in regards to, conduit and/or fiber optic OSP/ISP systems and installed, spliced or maintained within the year prior to mailing date of this bid as shown on the bid cover sheet. The contractor must also submit a list of at least five (5) customers along with their respective telephone numbers and contact names. The County reserves the right to request additional customer contacts.

2. Page GSC-2 Item #3: States corporate seal shall be affixed and attested by secretary.

The signature of secretary can be placed underneath the corporate seal

3. Page GSC-5 Item #24 Local Preference:

This correction has been made for the following:

LOCAL PREFERENCE - Okaloosa County reserves the right to grant a preference to in-county respondents **only** when bids are received from firms located in states, counties, municipalities or other political subdivisions which offer preference to respondents located in such political subdivisions. The amount of preference given to local respondents will be the same as that given by the state, county, municipality or other political subdivisions in which a respondent is located. If the political subdivision in which a respondent is located offers a preference to its local firms, that respondent must plainly state the extent of such preference to include the amount and type preference offers. Any respondent failing to indicate such preference will be removed from the County bid list and any and all bids from that firm will be rejected.

Note: ~~For respondent's convenience, this certification form is enclosed and is made a part of the bid package.~~
