

## HEPATITIS B VACCINATION FORM

Due to the nature of the environment that certain Okaloosa County employees work in, there is a potential for occupational exposure to blood or other infectious materials that may put employees at risk of acquiring the Hepatitis B Virus (HBV). In order to help protect its employees from such an infection, Okaloosa County offers a Hepatitis B Vaccine at no charge to such employees.

**Note:** The vaccination is a series of 3-shots and in order for it to be fully effective, employees must receive all 3 individual shots.

**By signing below, I acknowledge that I have chosen to ACCEPT the offer for the Hepatitis B Vaccination.**
