If the political subdivision in which a bidder is located offers a preference to its local firms, that bidder must plainly state the extent of such preference to include the amount and type preference offered. Any bidder failing to indicate such preference will be removed from the County bid list and any and all bids from that firm will be rejected.

Does the state, county, municipality or political subdivision in which your firm is located offer a preference to their local bidders? If "YES," list below the extent of such preference. (If your firm is located in Okaloosa County, you will check "YES"-reciprocal only.)
