

ADDENDUM 1

May 15, 2020

ITB FM 47-20

**Uniform & Supply Rentals for Okaloosa County**

This addendum is being issued to provide answers to questions submitted by vendors and to extend the bid opening.

1. Question: The requirement for only Wrangler brand jeans that are industrial laundry approved limits competition. Will the County allow respondents to provide alternates?  
Response: **No**
2. Question: Flame-resistant treated jeans in 100% cotton are common. Uniform pants as 100% cotton and treated are very rare, fade quickly and offered by only a few industrial laundry companies. Is the County receptive to fade resistant, lighter weight flame-resistant fabric pants that are more readily available?  
Response: **Yes**
3. Question: Not all fabrics perform the same. Does the County want garment samples for full evaluation?  
Response: **No**
4. Question: At the beginning of the new contract, are all garments required to be new?  
Response: **Yes, as well as any replacements.**
5. Question: May we have a sample of the existing “log” being used to meet/exceed the current expectations?  
Response: **Do not have any samples.**

**The ITB opening date is changed to May 27, 2020 at 3:15 P.M.**
