Experience Okaloosa County in Centennial Year

There is still time to play Experience Okaloosa, which takes you to the unique treasures discovered and undiscovered in the county. The more places and events you attend, the more you will learn about Okaloosa County and more potential you have to win a prize. Players will receive a stamp or answer a question to be eligible for prizes.

Why not Experience Okaloosa in its Centennial, and pick up an Experience Okaloosa game board at the Greater Fort Walton Chamber, Okaloosa Island Visitor Information Center or the Okaloosa Administration Building in Shalimar. Look for them in other locations as well.

Many of the events are ending in October and the game boards are turned in at the Greater Fort Walton Chamber during November. Post your progress on the Okaloosa Centennial Page on Facebook. Experience Okaloosa is a great family activity. For more information, contact the Greater Fort Walton Chamber, 850-244-8191.
