

Okaloosa County Centennial Military Community Covenant

On behalf of the citizens of Okaloosa County and in this, our Centennial Year, we renew the commitment that was made in the original Military Community Covenant that was publicly signed by 40 people on September 1, 2009.

We recognize ...
... the strength of our service members comes from the strength of their families
...the strength of families is supported by the strength of the community
... the strength of the community comes from the support of everyone in the community.

We are committed to ...
... building partnerships that support the strength,
