Okaloosa County Commissioners Saddened by Passing of Honorable Senator Durell Peaden

“On behalf of the Okaloosa Board of County Commissioners and the entire Okaloosa County community, we offer our heartfelt condolences to the family of the late Senator Peaden, stated Chairman Nathan Boyles, Okaloosa County Commission. “His dedication and service to Okaloosa, the county he loved, was evident through his tireless efforts on behalf of the citizens of northwest Florida, first as a pediatrician and later as our state representative, and our senator.”

“Okaloosa has lost a champion,” said Commissioner Harris. “My heart is broken for the community and for losing my friend Durell Peaden.”
