SERVICE AREA: PUBLIC SAFETY

DEPARTMENT/PROGRAM: EMERGENCY MANAGEMENT DIVISION

PROGRAM DESCRIPTION: This program consists of an Emergency Management Division Chief, an Emergency Management Coordinator, and an Administrative Assistant. The Division maintains the County Emergency Operations Center, which is a unique facility that provides a central command location for County emergency response and recovery efforts before, during, and after emergencies and disasters. The Emergency Operations Center (EOC) operates under the emergency support function/incident command system structure. There are 20 individual emergency support functions; each function oversees a critical service the county must continue to provide to its citizens, visitors, and businesses. The emergency support functions are arranged into sections that comply with incident command system requirements. The Division assists with the logistics of disaster response and recovery operations with all branches of government to ensure missions and resources are managed efficiently. The division identifies potential threats and designs a long-term plan to prevent damages to individuals and property. Mitigation activities include public outreach through the Code Red warning system; shelter retrofits as funding becomes available, increasing shelter space available by working with other governmental agencies through new construction, and actively addressing mitigation issues through the Okaloosa County Local Mitigation Strategy Committee and identifying mitigation projects and funding opportunities to the committee.

REVENUE: Emergency Management Division is funded within the General Fund. Supporting revenue of the General Fund are ad valorem taxes, state shared revenue, other miscellaneous revenue and transfers from other funds.

SERVICE AREA: PUBLIC SAFETY

DEPARTMENT/PROGRAM: BEACH SAFETY DIVISION/BEACH SAFETY PROGRAM

PROGRAM DESCRIPTION: This program consists of 1 Beach Safety Division Chief, 1 Lifeguard Supervisor, 3 Senior Lifeguards, and 19 Seasonal Lifeguards. The Beach Lifeguard Program provides year-round lifeguard protection, preventative oversight, heavy surf and rip current rescue services on the beaches and waterways of Okaloosa County in accordance with Okaloosa County Parks and Recreation Ordinance No. 08-06. Division personnel raise and maintain the universal flag warning and signage system on Okaloosa County Beaches in coordination with the Florida Department of Environmental Protection’s Beach Flag Warning Program as set forth in Section 380.276 F.S.S.

Beach Safety also provides public education information to the citizens and visitors of Okaloosa County on the hazards that exist in the aquatic and marine environment. Department lifeguards make presentations and provide safety briefings to civic organizations, military organizations, church groups, and others. Posters, information cards and pamphlets, and videos are printed and distributed to local schools and universities during safety presentations conducted by senior lifeguard staff members.

The Swift Water and Flood Rescue program focuses on early warning, evacuation, and rescue of victims and potential victims of rising flood waters resulting from severe weather events in Okaloosa County. Team members provide technical rescue services in shore-based, boat-based, and in-water situations as well as special situations around dams, vehicles, and high-angle areas. The team is also deployable on a regional scale and can be mobilized to respond to disasters in surrounding counties on short notice.

REVENUE: Beach Safety Division is funded within the General Fund; revenues are derived from the transfer of funds from the Tourist Development Enterprise Fund.

SERVICE AREA: COURT SERVICES

DEPARTMENT/PROGRAM: PRETRIAL SERVICES

PROGRAM DESCRIPTION: Pretrial Services provides the Judiciary with critical and timely information to assist them in making informed decisions on bond at the defendant’s first court appearance. By providing this information, Pretrial Services facilitates the release of persons arrested, minimizes failures to appear in court and the potential danger to the community. Pretrial Services assists in managing the jail population by reducing incarcerations that could result in jail overcrowding and the need for a jail expansion.

REVENUE: The Pretrial Services Program is funded in the General Fund. Supporting revenue of the General Fund are ad valorem taxes, communications service tax, local business tax, permits and fees, state shared revenue, charges for services, judgments and fines, miscellaneous revenue and transfers from other funds and Pretrial Services electronic monitoring fees.

MAJOR ACCOMPLISHMENTS LAST YEAR:

- Screened a total of 6389 defendants at First Appearance for Pretrial Release, Mental Health Court, Veteran’s Court, and Drug Court referrals, and provided verified reports to the Judiciary which resulted in a total of 912 additional defendants for Pretrial supervision.

- Served a monthly average of 50 defendants and supervised a monthly average of 33 defendants by Mental Health Pretrial Officer and provided initial assessments, reports to the judges, and referrals for appropriate mental health treatment. Provided information to the Public Defender and Asst. State Attorney on the defendant's mental health issues and treatment status, referrals to Mental Health Court program and Veteran's Court Program, and referrals to other community resources. Practiced and implemented HIPPA Laws as they pertain to case files, documentation, and storage of defendant files.
- Supervised a monthly average of 11 defendants on electronic monitoring program and recouped a total of \$29,535.00 in fees for 2013.

PROGRAM GOAL: Assist in reducing jail population by providing judiciary verified information at first appearance and facilitate the release of defendants to reduce incarcerations. To reduce potential dangers to residents of Okaloosa County by supervision and referrals to other court programs such as Drug Court, Veterans Court and Mental Health treatment programs, as well as minimize failures to appear in court

KEY OBJECTIVES:

1. To develop programs to permit Judiciary to maximize the rate of release for persons arrested and accused of crimes:
 - a. First Appearance Screening Reviews – Provide Judiciary with verified information to assist them in making informed decisions on determining appropriate bond.
 - b. Pretrial Services Supervision Program – Minimize potential danger to community posed by defendants released on bond and minimize failures to appear by ensuring strict adherence to court ordered conditions of release.
 - c. Drug Court Screening and Referrals – Facilitate release from custody for persons arrested on felony drug charges into diversionary drug treatment program.
 - d. Mental Health Assessment, Supervision, and Case Management- Provide Judiciary with adequate results of Mental Health Evaluation to assist in making informed decisions on setting bonds. Ensure defendants are referred to proper Mental Health Treatment as well as ensure they follow all recommended treatment to reduce future incarceration and ensure safety of the community.
 - e. Electronic Monitoring Program – Minimize potential danger to the community by providing a measure of protection to the victims and provides an alternative to incarceration.
 - f. Bond Reviews – Provide updated verified information to the Judiciary, and recommend alternative conditions of release on individuals who remain incarcerated and unable to post bond.
2. Assist Judiciary by providing weekly input on persons who remain incarcerated on misdemeanor offenses, which allows for early disposition of their cases.
3. Maintain a collaborative relationship with all other agencies involved in the Judicial process
