County Commissioners Seeks Local Business Persons for Equity Study Commission

The Okaloosa County Commissioners, at the request of Tax Collector Ben Anderson, will form an Equity Study Commission to discuss simplifying business license classifications.

County commissioners would like to have business people from throughout the county represented on the committee. Members of the Equity Study Commission would meet to discuss how to simplify the current business licensing classification system. Okaloosa County Tax Collector Ben Anderson presented four potential categories at the May 17 commission meeting: Regulated, non-regulated, lodging establishment and food service establishment.

Once the Equity Study Commission is ready to make recommendations to the Okaloosa Board of County Commissioners, a public hearing will be scheduled. Applicants should submit an e-mail to Sandee Launch at slaunch@co.okaloosa.fl.us or call 651-7515.
