## **Okaloosa County Hurricane Annual Exercise Thursday, May 24**

The Okaloosa County Department of Public Safety's Emergency Management Division will conduct a hurricane exercise on Thursday, May 24, from 8:00 a.m. until noon. The county-wide hurricane exercise will be in the 911 Emergency Operations Center, on the Northwest Florida State College campus in Niceville. The Okaloosa Board of County Commissioners will be in attendance.

All Emergency Support Functions (ESF) positions are invited to participate. The exercise will give everyone an opportunity to walk through a simulation of activities in the new facility in preparation for this year's hurricane season beginning June 1. A post exercise meeting will be held for feedback.
