Beach Accesses Closed Due to Tropical Storm Conditions

Okaloosa County, Fla. – The Emergency Operations Center continues to monitor Hurricane Isaac. Meigs Road is still closed to through traffic due to flooding. No other road closures at this time. All Okaloosa County Beach Accesses are closed due to storm conditions, and will be re-evaluated daily. City and county offices are reopened to include the courts. Please stay tuned to local television channels, radio and newspapers for updates.

Follow us at OKALOOSAEOC on Twitter, and find us on Facebook at Okaloosa County Public Safety. For more information or any problems, call the Citizens Information Line at 311, within the county.
