Okaloosa County 911 EOC Has Weatherbug.com

The Weather Bug system is now active in and on the 911 Emergency Operations Center at NWF State College. View camera and weather report live by going to www.weatherbug.com or go to the local camera weather site directly at <http://weather.weatherbug.com/FL/Niceville-weather/weather-cams/local-cams.html?zcode=z6286>. Additionally, visitors can get to Weather Bug from Public Safety's webpage at www.okaloosaf1.com.

Weather Bug operates the largest global weather network and offers citizens a popular website and desktop application for local and national weather details. For more information, please contact the Okaloosa County Public Safety Department at 850-651-7150 or the 311 Citizens Information Line.
