## **Okaloosa County Annual Hurricane Exercise Tuesday, May 21**

The Okaloosa County Department of Public Safety's Emergency Management Division will conduct a hurricane exercise on Tuesday, May 21, from 8:00 a.m. until noon. The county-wide hurricane exercise will be in the 911 Emergency Operations Center, on the Northwest Florida State College campus in Niceville. The Okaloosa Board of County Commissioners will be in attendance. Okaloosa County also participates in conjunction with the Florida Division of Emergency Management, which select the date for the exercise.

All Emergency Support Functions (ESF) positions are invited to participate, in preparation for this year's hurricane season beginning June 1. A post exercise meeting will be held for feedback.
