National County Government Month is April: Learn More About County Government

Okaloosa County Commissioner Nathan Boyles invites citizens to join him at **Helen Back on Okaloosa Island on Thursday, May 15, from 5:00 until 6:30 p.m.** Public Works Director John Hofstad and new Tourists Department Director Ed Schroeder will join Commissioner Boyles for the event. “I enjoy the opportunity to interact with the community informally, and look forward to discussing a wide range of topics, with the addition of these department directors,” says Boyles.

April is National County Government Month, as proclaimed by the National Association of Counties, and this community event presents an opportunity directly interact with county government. This year’s theme is “**Ready and Resilient Counties: Prepare. Respond. Thrive.**” Residents are urged to attend and learn more about how Okaloosa County meets that objective.

Nathan Boyles (R), is the District 3 commissioner, which includes areas in north and south Okaloosa County. For more information about Commissioner Boyles, please visit okaloosaf1.com. He can be reached by calling 850-689-5030, 651-7105 or by email at nboyles@co.okaloosa.fl.us.
