NR14-136

Caution Urged During PJ Adams Parkway Resurfacing Thurs. – Sun.

Okaloosa County Road Division will be resurfacing PJ Adams Parkway between the I-10 overpass and Hwy 85 in Crestview, **beginning the evening of Thursday, November 20, through early morning on Sunday November 23, 2014.** To minimize impact for the traveling public, **work will be performed from 7:30 p.m. each evening until approximately 6:00 a.m.** the following morning. Bobby Drive and Lustan Drive will also close during construction hours.

Access to Bobby Drive will be via Villacrest Drive and access to Lustan Drive will be via Cadle Drive. After construction operations have concluded each morning, barricades at these locations will be removed and normal traffic can resume.

During construction hours, drivers should expect delays and caution is urged.

Motorists are reminded of the following:

- Construction zones will be posted in advance and crews will be utilizing both traffic 'Flaggers' and a 'Follow Me' truck.
- Okaloosa County would like to remind everyone to obey all traffic laws especially while in a construction zone and never attempt to pass the 'Follow' truck.
- Okaloosa County is asking that motorist traveling from Hwy 90 to Hwy 85 (or vice versa) remain on the main routes and NOT use PJ Adams Parkway/Antioch Road as a "cut through" during these three evenings.
