<http://www.co.okaloosa.fl.us/doc/news/2015/2015-095.pdf>. The follow up audit does include Okaloosa County response and progress. “I am proud of the progress we have made as a county and feel we have worked hard to rebuild our internal processes,” said Chairman Commissioner Nathan Boyles. “Now it is time to look forward; there is much work to be done, as we embark on Okaloosa’s Centennial Year – I think 2015 will be a great year.”

The Operational Audit Report for all departments of the Okaloosa Board of County Commissioners is currently undergoing its follow up as well. For more information or to contact a commissioner, call the Citizens Information Line (CIL) at 311 or email the 311 CIL online at www.okaloosafl.com.
