

FOR IMMEDIATE RELEASE

Okaloosa Board of County Commissioners

10/11/18

Post Hurricane Michael Recovery

OKALOOSA County- Normal garbage collection services have resumed.

Please utilize the following standard yard waste guidelines: must be under 6 feet in length, no bigger than 4 inches in diameter, and the piles and /or bundles must be under 50 pounds.

Scheduled services; garbage, recycling, bulk trash, and yard waste will not be affected by the storm.

If you are in the unincorporated areas of the county please contact your service provider for guidance.

Okaloosa County Administrative Offices will reopen for normal business hours on Friday, October 12, 2018.
