Water and Sewer Announces Return of Online Bill Pay

Shalimar– Okaloosa County Water & Sewer’s new and improved Online Services website is now available.

OCWS has worked with a new vendor to create a secure, user friendly, Online Services website.

The new site allows you to view a pdf image of your bill, pay it, and view usage & payment history without needing to log in.

Creating a profile and logging in provides the additional ability to manage AutoPay, manage E-billing settings, and securely store payment methods. Visit www.okaloosaws.com and click on “Online Bill Pay” to access these great features!
