Traffic Crash involving EMS Ambulance sends two first responders to the hospital.

Okaloosa County – A traffic crash near Laurel Hill involving an Okaloosa County ambulance and a cement truck sent two the Public Safety employees in the ambulance to the hospital. An EMT is stable and recovering at North Okaloosa Medical Center and a Paramedic is stable and recovering at Fort Walton Beach Medical Center. The driver of the cement truck was unharmed in the crash.

Both are expected to make full recoveries.

The patient the pair of employees was on its way to transport to the hospital was treated and transported.

Okaloosa County is awaiting the results of an investigation into the crash for more information.
