Okaloosa County Water and Sewer Opens Newly-Renovated Bill Pay Center

Okaloosa County – The Water and Sewer department would like to proudly announce the reopening of the newly-renovated bill pay center at the Water and Sewer building at 1804 Lewis Turner Boulevard.

The bill pay center renovation includes a new bill pay station, where customer service representatives can help customers with their bills, new offices, a fresh coat of paint as well as brand new lettering and logos.

“Improved customer service continues to be a top priority for the myriad services your county government provides. The completed renovation at the County’s Water and Sewer building was designed with this goal in mind.” County Administrator John Hofstad said, “We expect that the recent changes will make for a better customer experience and thank our Water and Sewer staff for their part in improving service delivery.”

The Water and Sewer Bill pay center resumes normal hours, opening at 8:30 am and staying open until 5pm.
