Dear Mr. Kelley:

It is my pleasure on behalf of CareerSource Okaloosa Walton to extend our support of the Take Stock in Children (TSIC) Scholarship Program of the Okaloosa Public Schools Foundation RESTORE grant proposal. We appreciate the many successful programs implemented and delivered via the Okaloosa County Take Stock in Children.

CareerSource Okaloosa Walton supports the Take Stock in Children which is a unique Florida program, providing scholarships, mentors and hope for young people in every county of the state. Student advocacy and mentoring, focused on College and Career Readiness, are keys to the success of this program. Students selected as Take Stock in Children Scholars are Okaloosa County eighth graders who must first meet financial eligibility requirements for free or reduced lunch. CareerSource Okaloosa Walton is pleased to have secured multiple-scholarships in the past years for the Okaloosa Public Schools Foundation.

We value the positive long-standing working relationship and programs with CareerSource Okaloosa Walton and the Okaloosa Public Schools Foundation and look forward to expanding our professional partnership.

Thank you for the opportunity to support this grant opportunity. Please contact me if additional information is needed.

Sincerely,
